The following activities were observed at the Wustrow (N 55/0 51) training area:

From 2:10 to 2:30 p.m. on 3 August: firing at unknown target

from 5:30 to 7:30 p.m. on 4 August: firing at unknown target

from 2:30 to 7 p.m. on 5 August: firing at towed sleeve target

from 10:40 a.m. to 12:10 p.m. on 6 August: firing at towed sleeve target

on 7 August: no firing

from 10:15 a.m. to 12:30 p.m. on 8 August: firing at towed sleeve target

from 6 to 7:30 a.m. on 9 August: firing at towed sleeve target

from 10:30 a.m. to 12:30 p.m. on 10 August: firing at unknown target

from 6 to 8:30 p.m. on 11 August: firing at unknown target

from 12 to 6:30 p.m. on 12 August: firing at unknown target

from 11:10 a.m. to 1 p.m. on 13 August: firing at unknown target

on 14 August: no firing.

On 12 August, Captain Kariya (phonetic spelling) (fnu) returned to his unit after a long furlough in Odessa. Twelve tank dummies were seen at the construction site in Herik. The moving mechanism for tank dummies in Kieler Ort was completed and in operation. No major defects occurred after large transformers were installed. The barbed-wire fence, about 4 meters high, which extended from the shore of the Baltic Sea, as far as the gate was being replaced by a wooden fence of the same height. Motor vehicles seen leaving and entering the training area
